

THE TWO WAYS
“From Deceit to Revelation”

Dear Saint,

Unfortunately, all that I have of this teaching is the background study file I used to produce it. Though full of Scripture, it does not read like an article. This study involved helping the saint move from decadence to restoration, from deception to revelation, and from death to resurrection. The audio tape is available for your spiritual encouragement.

God bless you mightily in the precious name of Jesus!

In Him,

Nikolas Larum,
Pastor,
