

THE TWO WAYS
“Jesus, Lord of the Sabbath”

Dear Saint,

This particular teaching is a supplemental sharing to the teaching “Redeeming the Time”. It was a lecture presented at one of the Origins Science Association’s monthly meetings. I have not included the text of this sharing because of its length and format. The audio tape is available within this teaching series as well as independently. It covers a wide range of subjects including Jesus’ creation of the universe, the nature of time, and concepts of revelation and end times prophesy.

For more information regarding the Sabbath, see our series *Sabbath Healings: The Lord’s Proclamation of the Kingdom of Heaven on the Sabbath Day*.

God bless you mightily in the name above all names, the name of the Lord Jesus Christ.

In Him,

Nikolas Larum,
Pastor, Maranatha Church
